Report on Workshop

Department of Physics, M.J.M ACS College Karanjali(Peth), Nashik., Organized one day workshop on the topic "Basic Electronics Devices And Their Uses In Electronics Gadgets" on 12 Nov. 2022 at 11 a.m. All the Physics (science) students were a part of the elucidative programme. The event started with the felicitation of the guest speakers. Thereafter, the participants were espoused by Dr.M.S.Shinde. He acquainted them with the objectives and goals of the workshop.

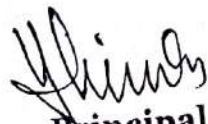

The resource person Dr.SanjayBansode reflected his profound knowledge on the topic and highlighted the function of basic electronic components. The demonstration of optimisation and calibration of electronic devices galvanized the engrossed participants. After the lunch break Dr.SanjayBansode, Resource Person, continue his lecture with practicals which triggered the young minds into thinking innovative ways. An interactive concourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function if different electronic devices. The informative workshop culminated with a vote of thanks proposed by the Dr. Rahul A. Wagh.

Waste Management and Vermicomposting Unit (2022-23)

Title: Vermicomposting Unit and Waste Management: A Practical Approach for Zoology Students

Introduction: Vermicomposting, the process of using earthworms to decompose organic waste into nutrient-rich compost, is an efficient and eco-friendly method of waste management. For zoology students, understanding the principles and practices of vermicomposting offers valuable insights into the role of decomposers in ecosystems and sustainable waste management strategies.

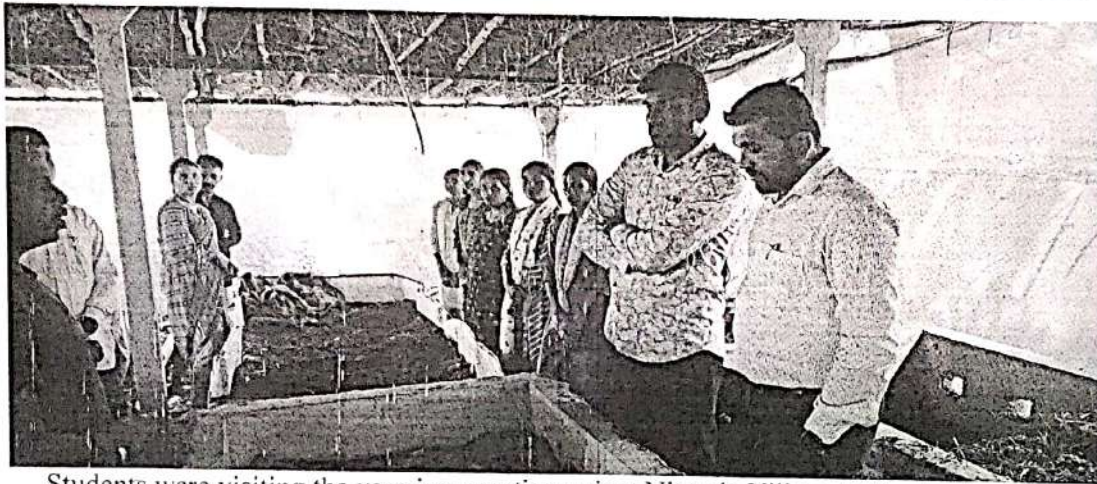

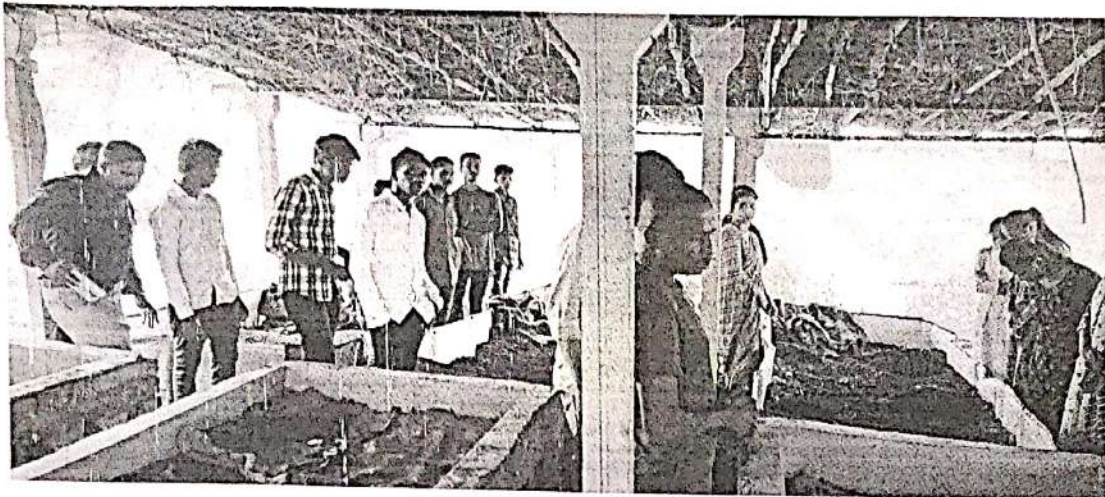

Purpose: This report aims to provide zoology students with a comprehensive understanding of vermicomposting units and their significance in waste management.

Vermicomposting Unit Setup: A typical vermicomposting unit consists of containers or bins filled with organic waste materials such as kitchen scraps, yard waste, and shredded paper. Earthworms, specifically *Eisenia fetida* or red wigglers, are introduced into the bins to consume and break down the organic matter. Proper aeration, moisture levels, and temperature control are essential for optimizing the vermicomposting process.

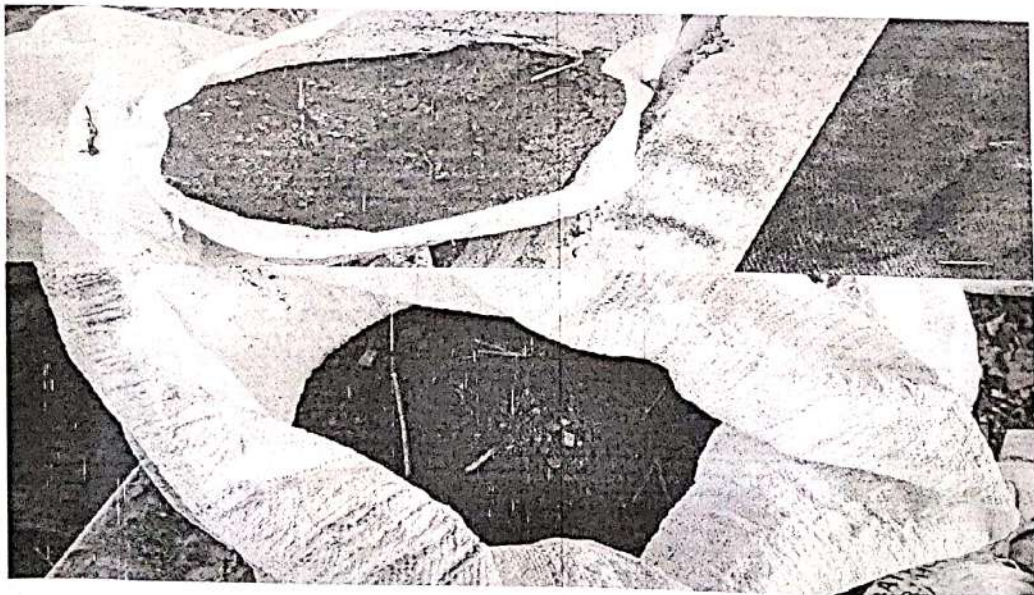

Waste Management Benefits: Vermicomposting offers several benefits for waste management. Firstly, it diverts organic waste from landfills, reducing methane emissions and overall environmental impact. Secondly, the resulting vermicompost is a nutrient-rich fertilizer that can improve soil health and promote plant growth. Additionally, vermicomposting reduces the need for chemical fertilizers, contributing to sustainable agriculture practices.

Educational Opportunities: Zoology students can gain hands-on experience with vermicomposting units through practical demonstrations and experiments. They can observe the interactions between earthworms and organic matter, study decomposition processes, and analyze the chemical composition of vermicompost. Moreover, students can explore the ecological significance of earthworms as decomposers and their role in nutrient cycling within ecosystems.

Conclusion: In conclusion, vermicomposting units offer an accessible and practical way for zoology students to learn about waste management and ecological principles. By understanding the processes involved in vermicomposting and its environmental benefits, students can contribute to sustainable practices both academically and in their communities. Incorporating vermicomposting into zoology curricula enhances students' appreciation for the interconnectedness of organisms and ecosystems, fostering a deeper understanding of ecological concepts.

Students were visiting the vermicomposting unit at Nirgude Village 21 September 2022

A stabilized organic material is ready for use in fields (garden).

A one-day workshop on

“Basic Laboratory Techniques and Lab Ethics”

Department of Chemistry Under the aegis of IQAC Organized

Name of the Resource Person and Address:-Dr. D.T.Tayde (HOD, M.J.M. ACS
College Karanjali)

Convenor: Prin. Dr. M.S.Shinde

Coordinator: Dr. R.H.Waghchaure

Schedule: 10 am to 5 pm

Sahyadri Shikshan Mandal's
Mahant Jamnadas Maharaj Arts, Commerce and Science College,
Karanjali, Peth-422208
(Affiliated to SPPU, Pune, NAAC accredited)
Department of Chemistry
In association with ARC and Internal Quality Assurance Cell
Jointly organized

One Day Workshop-2022-23

Topic: “Basic laboratory Techniques
and Lab Ethics”

Principal
Dr. M. S. Shinde
(M.J.M. ACS College,
Karanjali)

Date - 12th February 2023

Speaker
Dr. D.T.Tayde
HOD, Department of
Chemistry
(M.J.M. ACS College, Karanjali)

Objectives:

- 1.To Minimise the risk of injury or illness to laboratory workers.
- 2.Ensuring that they have the training and support needed to work safely in the laboratory.
- 3.It provides assurance of environmental, health, and safety of students, and workers.
- 4.To train the workers and to know the location of and how to use safety equipment. Such as fire extinguisher.
- 5.Ensuring that lab staff are reminded that they use and get access to the equipment required for the job such as gloves, masks, eyewear etc.

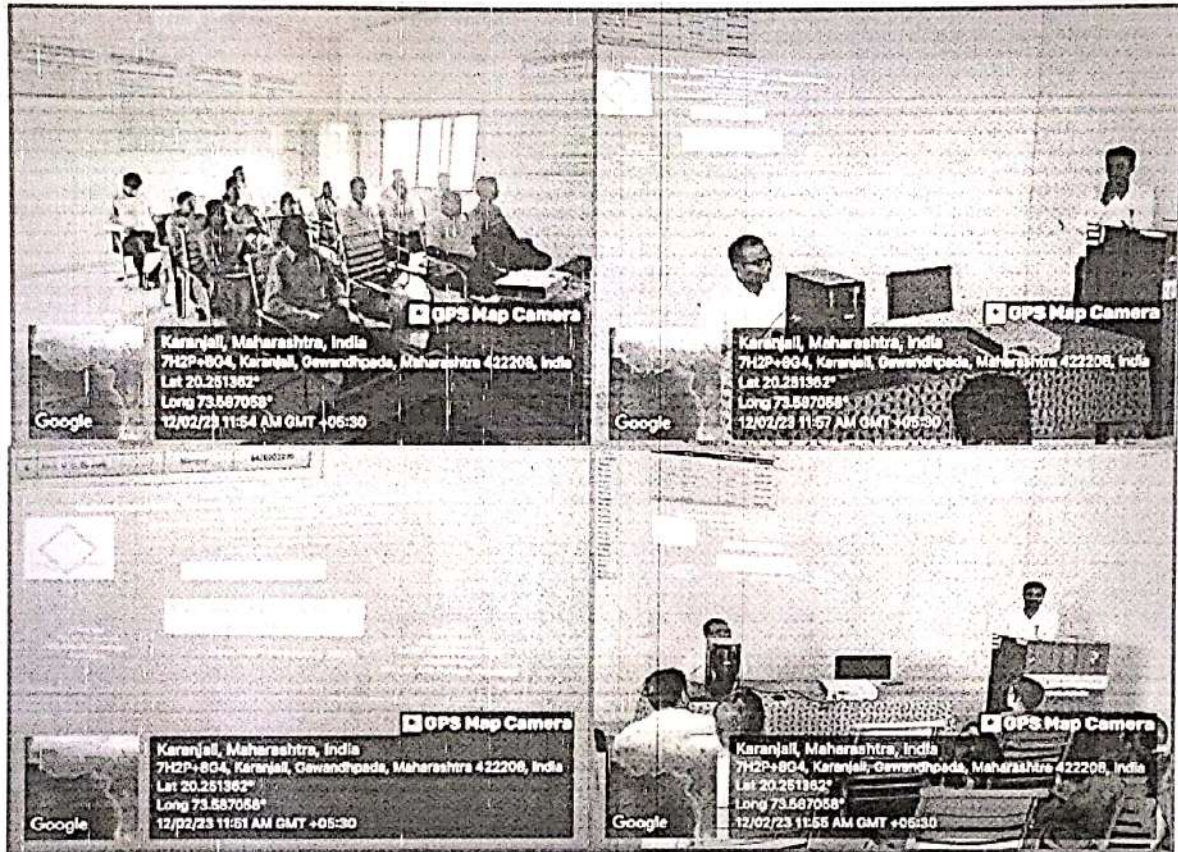

Brief Report:

Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali organized one-day workshop on "Basic Laboratory Techniques and Lab Ethics" Under the aegis of IQAC and Department of Chemistry Organized for non-teaching staff.

The workshop was held under the guidance of Principal Dr. M.S. Shinde, Coordinator of the IQAC and expert talk delivered by Dr.D.T.Tayde HOD Chemistry. Dr. D.T.Tayde highlighted the significance and importance of laboratory safety. In his talk he detailed on the chemical safety, possible exposure to harmful substances, techniques like pouring, measuring, filtering, using gas burners, using glassware etc. All laboratory techniques are good and necessary. Working in laboratory requires carrying out a lot of different procedures, all which require different skills and techniques he further added. He also focused on importance of laboratory techniques for any person conducting an experiment. For to ensure accuracy and precision with every procedure. Lab experiment are also risky, hence help avert these occurrence.Dr.Tayde also discussed the code of ethics in which he explore that the chemical handlers should strive to do their work in ways that are safe and sustainable for the environment.

The participant from the same college gives feedback of the workshop expressing their satisfaction with its content and execution. Overall the workshop provided platform for the participants to develop the laboratory techniques and to understand the laboratory ethics.

Objectives:

- It provides correct information in a comprehensive manner with different examples.
- It helps learners to broaden their information base.

- It provides variety in the presentation of content, which helps learners to learn according to their own pace.
- It helps in better understanding and long retention of information.
- The ICT tools are need of time for better teaching-learning process

Brief Report:

Under the sponsorship of IQAC, Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjaliorganised a one-day workshop on "Advanced Pedagogy and Use of Different ICT Tools."

Leading the workshop was Dr. M.S. Shinde, Principal and Coordinator of the IQAC. Prof. Dr. Rahul Ashok Shinde, Department of Chemistry, ASC College Manmad, Nashik, provided an expert discussion. The usefulness of various ICT tools in modern pedagogy was emphasised by the speaker. He told thatthe todays teaching-learning process enriched by only use of ICT tools, the easy understanding of content, gaining of knowledge only achieved by use of ICT techniques. Teacher must use the e-learning process for the better teaching, so that the learning process occurs smoothly he further added in his talk.It provides variety in the presentation of content, which helps learners to learn according to their own pace. Principal Dr. M. S. Shinde guided the participants, he directed the use of different ICT tools, their importance and functions. The workshop witnessed the presence of esteemed members, including the all HODs, faculty members and all the participants.The day commenced with a preface reading by Coordinator Mr.R.M.Nikam, followed by a vote of thanks.Dr. R.H. Waghchaure provided the workshop's foundation, and all of the departmental staff members' committed efforts and assistance were also greatly appreciated.The workshop's features, objectives, and results were better understood by the participants as a result of their insightful sharing of their perspectives on the administrative function.

A one-day workshop on

“NEW National Education Policy 2020”

Department of Chemistry Under the aegis of IQAC Organized

Name of the Resource Person and Address:-Dr. U.P.Shinde (HOD, L.V.H. ASC

College Panchavati, Nashik)

Convenor: Prin. Dr. M.S.Shinde

Coordinator: Dr. N.R.Giri

Schedule: 10 am to 5 pm

Sahyadri Shikshan Mandal's
Mahant Jamnadas Maharaj Arts, Commerce and Science College,
Karanjali, Peth-422208
(Affiliated to SPPU, Pune, NAAC accredited)
Organized By Internal Quality Assurance Cell

One Day Workshop-2022-23

09/01/2023

Topic: “NEW National Education
Policy 2020”

Principal
Dr. M. S. Shinde
(M.J.M. ACS College,
Karanjali)

Guest of Honour
Dr. U.P.Shinde
(Mahatma Gandhi Vidyamandir's
ASC College, Panchavati)

Objectives:

- 1.The New Education Policy (NEP) 2020 will revolutionize education by transforming student learning and redefining the teacher's role.
- 2.The basic aim and objective of NEP 2020 are to make education universally accessible from primary to secondary level by the year 2030.
- 3.It helps in building a relationship between the learner and society at large.
- 4.The National Education Policy envisions an education system deeply rooted in Indian ethos, driving the transformation of India (Bharat) into a sustainable and equitable knowledge society.
5. It aims to provide high-quality education to all, elevating India to a global knowledge superpower.
- 6.To provide equitable access to quality education to all students irrespective of their socio-economic backgrounds, gender, or physical abilities.
- 7.To promote a multidisciplinary approach to education and encourage students to explore and pursue their interests.

Brief Report:

A one-day workshop on "NEW National Education Policy 2020" was held by Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali under the direction of IQAC. The workshop was led by Principal Dr. M.S. Shinde, the IQAC Coordinator, and including a talk delivered by Dr. U. P. Shinde, the Head of the Physics Department of L.V.H. ASC College Panchavati, Nashik.Dr.U.P.Shinde highlighted the significance of a comprehensive and outcome-based education system in his address.He stressed the inclusion of major and minor subjects, and on-the-job training within the syllabus to better equipped students for their future endeavours. NEPs insights aimed to provide students with practical knowledge and skills.

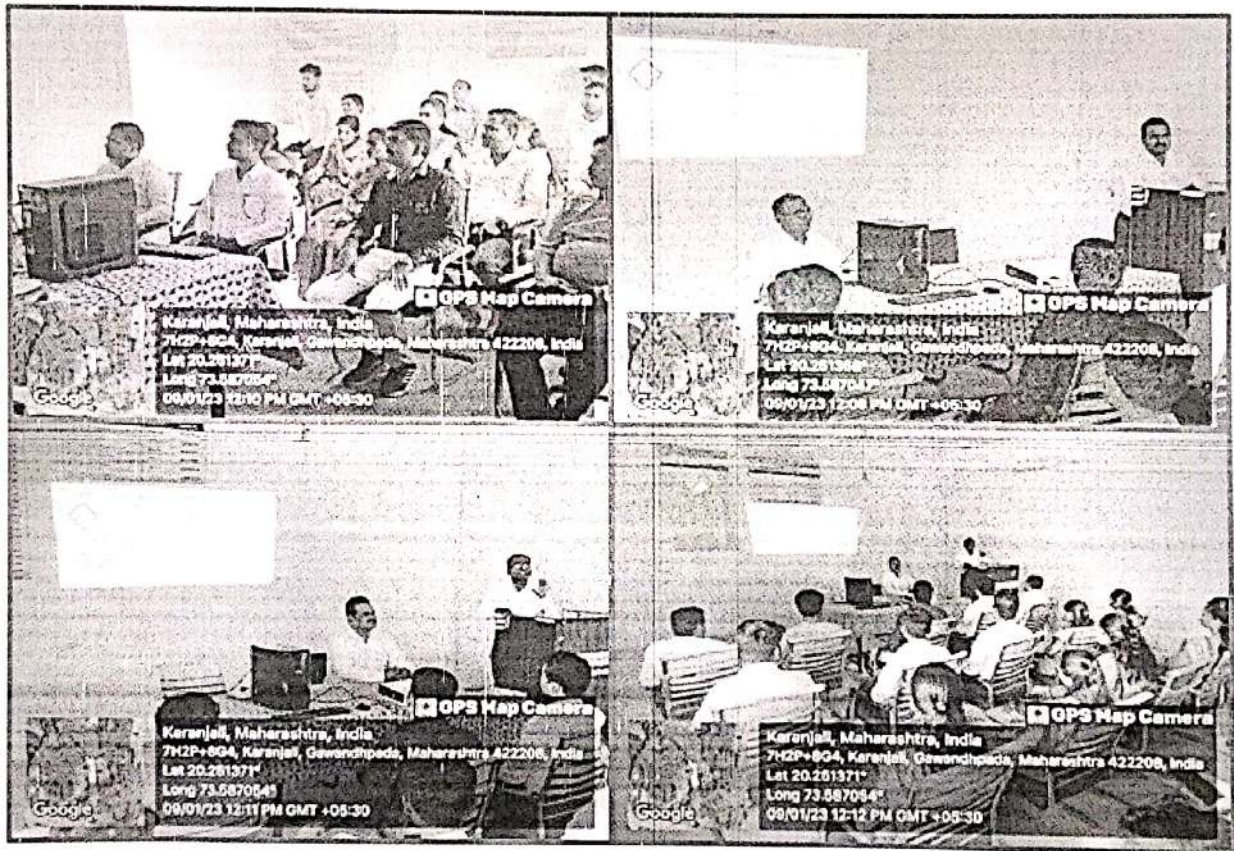

The workshop witnessed the presence of esteemed members, including the all HODs and the faculty emphasized the need for a common syllabus structure for students, as per the guidelines of NEP-2020.Prof. Dr.U.P.Shinde in his speech, shed light on the NEP-2020 structural pattern, the importance of syllabus preparation, and the implementation of the credit system. During the workshop he also highlighted the need for educational institutions to collaborate with

industries to bridge the gap between academics and practical experiences. Again, he emphasized the significance of developing a job-oriented syllabus that caters to the needs of the today's world.

The day commenced with a preface reading by Coordinator r Dr. A.S.Jondhale followed by a vote of thanks. The workshop was anchored by Dr. R.H. Waghchaure, and the support as well as dedicated efforts of all staff members of the different departments.

The participants given feedback about the insight of NEP, the overall this expert talk provided lot of understanding about the features, objectives and outcomes of the New education policy.

REPORT
ONLINE WEBINAR ON
“CHEMISTRY USED IN DAILY ROUTING”

M.J.M Arts Commerce and Science College Karanjali, Department of Chemistry has successfully organized the online webinar on Chemistry used in daily routing dated on 14th Dec 2022 for F. Y. B. Sc, S. Y. B. Sc and T. Y. B. Sc chemistry students. On this day 74 students have actively participated in this workshop. Dr. R. H. Waghchaure explicit the importance of chemistry in day-to-day life, application of different chemicals, research and development aspect of industrial approach of chemistry with respect to its branches including analytical, organic and Inorganic chemistry, quality control parameters, safe parameters against handling of chemicals. On this event Mr. T. C. Gaikwad, Dr. D. T. Tayde, Dr. S. P. Chavan, Dr. N. R. Giri, Dr. A. S. Jondhale, Mr. R.M. Nikam and Prin. Dr. M S. Shinde were present.

Report on Seminar

Department of Physics, M.J.M ACS College Karanjali, Organized A seminar On "AI TOOLS AND THEIR IMPACT ON HUMAN BEING " on 20 Feb 2023 at 12.30 p.m. with virtual zoom mode. All the science students were a part of the elucidative programme. The event started with the felicitation of the guest speakers. Thereafter, the participants were espoused by Dr. Rahul A. Wagh. He acquainted them with the objectives and goals of the workshop. The resource person Dr. Sanjay B. Bansode reflected his profound knowledge on the artificial intelligence and highlighted that natural intelligence is converted into artificial intelligence and its functionality such as face ID and image recognition, emails, apps, social media, Google search, digital voice assistants like Apple's Siri and Amazon's Alexa, online banking, driving aids – route mapping, traffic updates, weather conditions, shopping etc.

Dr. Sanjay B. Bansode, Resource Person, continue his lecture and explains How does artificial intelligence work? And explore the technologies like Machine Learning (ML), Narrow AI, Artificial General Intelligence (AGI), Natural Language Processing (NLP). which triggered the young minds into thinking innovative ways. An interactive discourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function of different electronic devices. The informative workshop culminated with a vote of thanks proposed by the Dr. M.S. Shinde.

Report of
One Day Workshop on
“FLOWER ARRANGEMENTS AND DECORATION”

ON 1st April, 2022

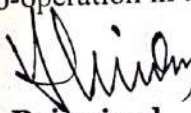

Department of Botany, Mahant Jamanadas Maharaj Arts Commerce And Science College, Karanjali organized as One Day Workshop on “Flower Arrangements and Decoration” during 1st April 2022. The one day workshop had fully fledged schedule of lead lectures, presentation and demonstration and student meet as per the given details. 42 college students was participated in this workshop.

Inaugural Programme:

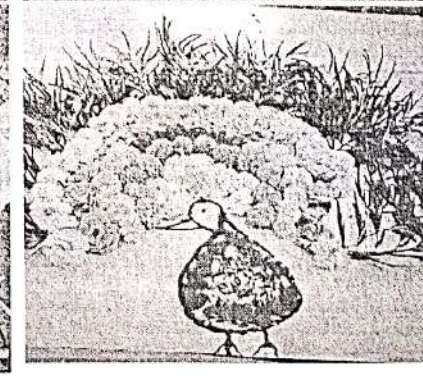

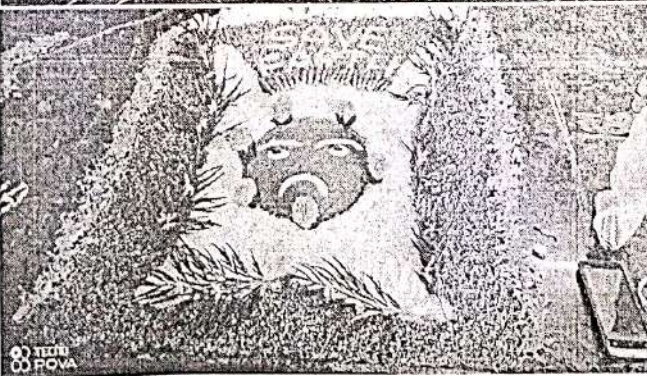

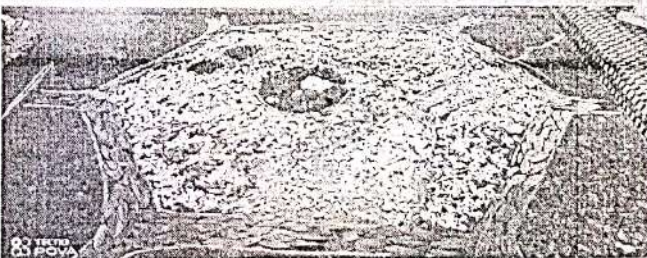

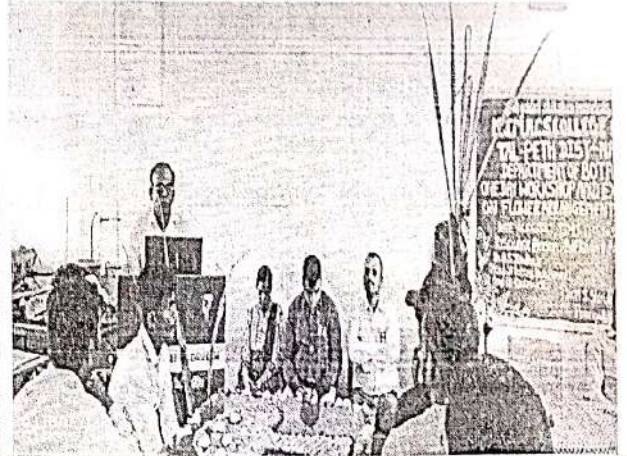

On the day of workshop from 8.30 am to 10.30am registration and breakfast of Participates was completed. The inaugural program started at 11.00am in Department of Botany. Dr.M.S.Shinde, is the President of this one day workshop and Prof. Kiran Aragle, is the Resource person in today’s workshop. The inaugural programme initiated with welcome speech of Dr.M.S.Shinde, Principal of M.J.M . Arts Commerce and Science College Karanjali. Lighting of lamp by auspicious hands of Dr.M.S.Shinde, Prof..R.H.Wagachure, Dr. P.T.Wankhedkar, Dr.N.R.Giri, Prof.Gaikwad.T.C. Dr.A.S.Jondhale and Dr.S.P.Chavan.

In this workshop two session, first session Prof.Kiran Aragle was taken online lecture about “Flower Arrangements and Decoration” and second session students was prepared very impressive and decorative flower ragoli and bouquet flower to related botany and nature themes.

Department of Botany, are thankful to Dr.M.S.Shinde Principal of M.J.M,A.C.S College Karanjali and Shri.P.C.Gawali, Secretary of Sahyadri Shikshan Mandal’s for providing financial support and other facility to completed this workshop. We are also thankful to all teaching staff and non-teaching staff for help and co-operation in this regards.

Report of
One Day Workshop on
“Super Spirulina (*Arthrospira platensis*)”

ON 9th April, 2022

Department of Botany, Mahant Jamanadas Maharaj Arts Commerce and Science College, Karanjali organized as One Day Workshop on “Super Spirulina (*Arthrospira platensis*)” during 9th April 2022. The one day workshop had fully fledged schedule of lead lectures, presentation and demonstration and student meet as per the given details. Total 85 students participated in the workshop.

Inaugural Programme:

On the day of workshop from 9.30 am to 10.30am registration and breakfast of Participates was completed. The inaugural program started at 11.00am in Department of Botany. Dr.M.S.Shinde, is the President of this one day workshop and Prof. Subash Varpe , is the Resource person in today’s workshop. Miss.Manju Mandlike Director of Om Foods And Nturals . The inaugural programme initiated with welcome speech of Dr.M.S.Shinde, Principal of M.J.M . Arts Commerce and Science College Karanjali. Lighting of lamp by auspicious hands of Chief Guest Prof.Subash Varpe and Miss. Manju Mandlike, Dr.A.S.Jondhale, Dr.S.P.Chavan, Dr.D.T.Tayde and Dr.N.R.Giri.

In this workshop Prof.Suabsh Varpe was taken two sessions. In first session was take power point presentation about Super Spirulina (*Arthrospira platensis*) and producer and second session it was taken demonstration about how to prepare and maintained in Super Spirulina (*Arthrospira platensis*). The total 85 students was participated in this workshop.

Department of Botany, are thankful to Principal of M.J.M,A.C.S College Karanjali and Secretary of Sahyadri Shikshan Mandal’s for providing financial support and other facility to completed this workshop. We are also thankful to all teaching staff and non-teaching staff for help and co-operation in this regards.

Report on Webinar

Date: 13 Dec. 2021

Department of Physics, M.J.M ACS College Karanjali, Organized A webinar On "FUNDAMENTALS OF PHYSICS " on 11 DEC. 2021 at 12.30 p.m. with virtual zoom mode. All the science students were a part of the elucidative programme. The event started with the introduction and welcome of the guest speakers. Thereafter, the participants were espoused by Prof. Kavita Borse. She acquainted them with the objectives and goals of the workshop. The resource person Dr. Vijaykumar Pande Explains the fundamental physics concepts and its applications in daily life, and explore the fundamental aspects of physics in a very interactive format he said that "we are living in the century of science and technology and introduction of science in our daily has transformed our lives. When people had no idea about science even their lives were governed by principles of different branches of science it means specially physics has vital role in daily life functional things.

Dr. Pande continue his lecture and explains basic concepts like force, displacement, velocity, mechanics, wave and oscillation, light, thermodynamics etc. which triggered the young minds into thinking innovative ways. An interactive discourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function of different electronic devices. Total 65 number of participants were participated in said webinar. The informative workshop culminated with a vote of thanks proposed by the Dr. M.S. Shinde.

Report on Webinar

22 March 2022

Department of Physics, M.J.M Arts, Commerce and Science College Karanjali (Peint) Nashik, have Organized A webinar On "Role of quantum mechanics in advance technology AI TOOLS AND THEIR IMPACT ON HUMAN BEING " on 22 March 2022 at 12.30 p.m. with virtual zoom mode. All the science students were a part of the elucidative programme. The event started with the felicitation of the guest speakers Dr. Bansode Sanjay B. from Department Of Physics, K.R.A. Arts, Commerce and Science College, Deola Tal-Deola, Dist-Nashik, Maharashtra Pin.- 423102. Thereafter, the participants were espoused by Dr. Rahul A. Wagh. He acquainted them with the objectives and goals of the webinar. The resource person Dr. Sanjay B. Bansode reflected his profound knowledge on the Quantum mechanics and highlighted the principals of quantum mechanics and its functionality such as cloud data storage, quantum computing, meteorology, cryptography, weather forecast. etc.

Dr. Sanjay B. Bansode, continue his lecture and explains How does quantum mechanics has linkage with artificial intelligence. And explore the other related technologies .which triggered the young minds into thinking innovative ways. An interactive concourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function if different electronic devices . The informative workshop culminated with a vote of thanks proposed by the Prof. Kavita Borse.

Department of Commerce

Report on

Webinar on Study of Share Market and Mutual Funds.

The webinar on “Study of share market and Mutual Funds” was organized by Commerce department on 15th March 2022, at 10 am in the MJM arts, Sci. and Commerce college, Karanjali. The programme spellbound the audience almost for 5 hours in two parts. 65 student attendees in webinar and including teachers witnessed the session. Ast. Prof. V H Gawali, commerce department welcomed everyone present in the webinar and introduced the speaker, Prof. D P Thakare (Economy) and Prof.Udar with special guest prof. L N Bhoje, Depart. Of Science, Prof. J S Waghare, Depart. Of Science and Prof. Y G Gawali, Depart. Of Marathi.

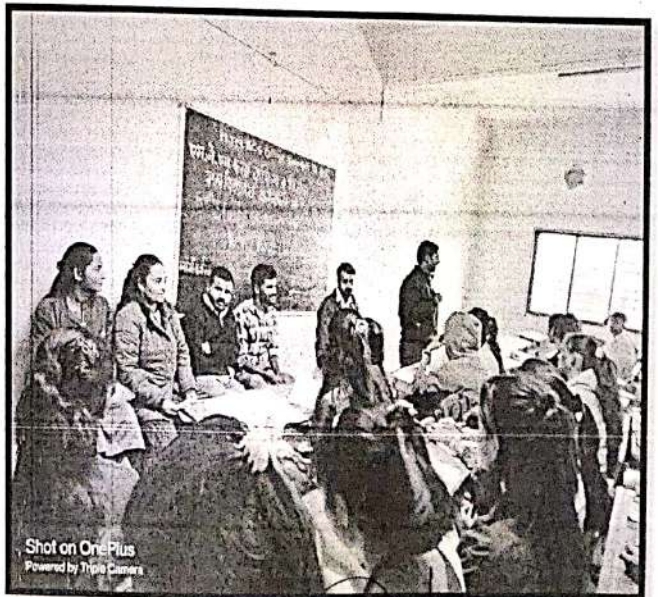

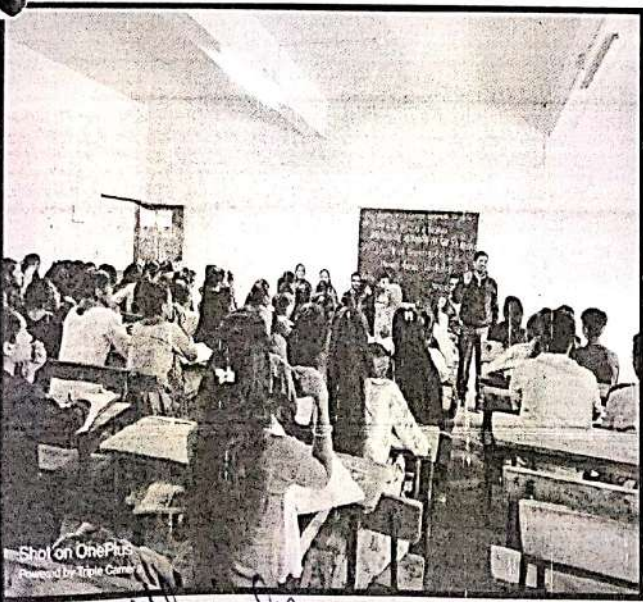

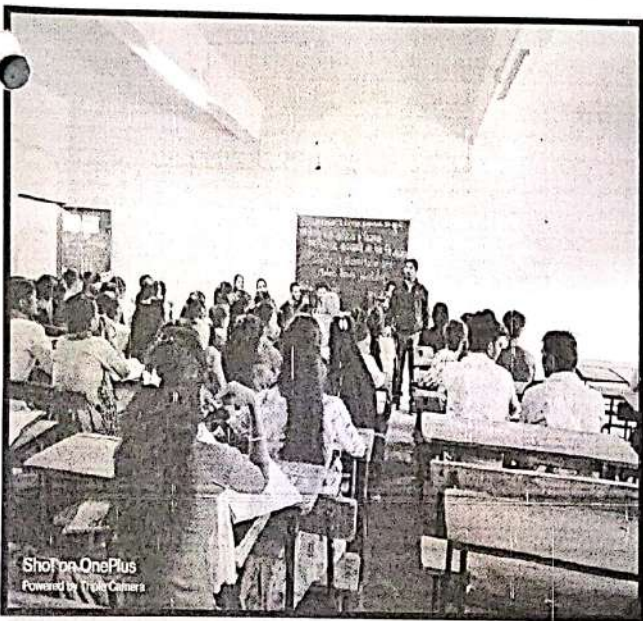

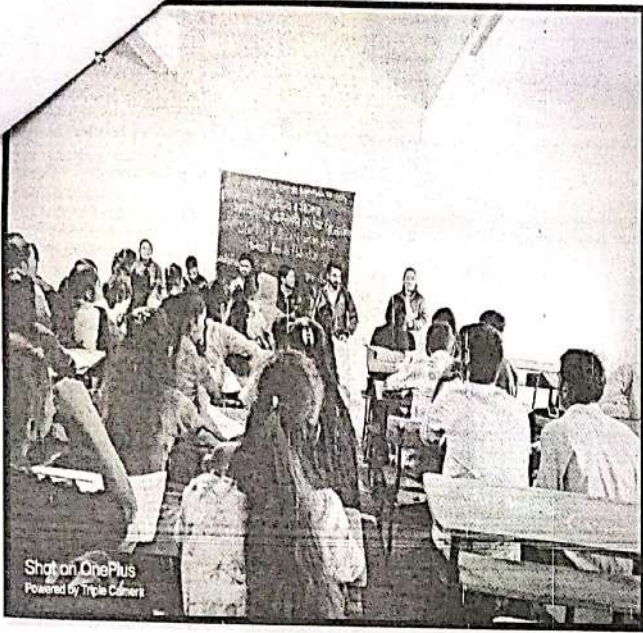

Prof. D P Thakare who has teaching experience in Economy for last many years. In the first part he explained all basic concepts and processes related to share Market and trading. He also explained role of SEBI in regulating stock market to make it trustworthy for investors. The presentation gave an in depth knowledge about share trading transactions to the audience. Prof. D P Thakare made the audience aware about the Dos and Don'ts while conducting the share trading which ultimately helped them to remove fear from their mind about the stock market.

The second part of the presentation Prof. Udar involved elaboration of mutual funds as an investment option. Both speakers made the forum open for discussion, after his presentation. Mrs. K T Chaudhari, HOD of Commerce department, thanked speakers as gesture of gratitude. Prof. V H Gawali proposed formal vote of thanks.

The webinar was indeed a highly informative and enlightening session for all the attendees.

REPORT

ONE DAY WORKSHOP ON “HORIZON ON CHEMICAL SCIENCE”

M. J. M Arts Commerce and Science College Karanjali Department of Chemistry has successfully organized the one-day workshop on **Horizon on chemical science** on 29th Dec 2021 for F. Y. B. Sc, S.Y. B. Sc and T. Y. B. Sc chemistry students. On this day 83 students have actively participated in this workshop. Dr. D. T. Tayde explained the importance of chemistry in day-to-day life, application of chemistry, industrial approach of chemistry with respect to its branches including analytical, organic and Inorganic chemistry. On this event Dr. R. H. Waghchaure, Mr.T. C. Gaikwad, Dr. S. P. Chavan, Dr. A. S. Jondhale, Mr. R.M. Nikam and Prin. Dr. M S. Shinde attended the program.

“Report on Birds and Butterfly”

The department of Zoology arrange one day workshop on “Birds and Butterfly” dated on 22/09/2021. We have made important strides in understanding the ecology, behavior, and migration patterns of these species. Information was provided to students about population dynamics, habitat preferences, and threats to these species. We also made progress in understanding the migration patterns of various species of birds. We have elucidate how to track the movements of several species of songbirds, such as the White Throated Sparrow, to understand how they adapt to changing seasonal conditions. This information has been invaluable in predicting and preventing population declines in these species.

This report presents the proceedings and outcomes of a comprehensive workshop focused on the conservation of avian species, butterflies, and the fisher population. The workshop aimed to increase awareness and understanding of the ecological significance of these organisms and to promote effective strategies for their preservation. Participants engaged in various discussions, hands-on activities, and knowledge-sharing sessions, contributing to the overall goal of biodiversity conservation.

The Zoology Department would like to thank all of the, participants, teaching and non-teaching staff for attending the workshop.

Department of Commerce

Report on

"Workshop on Opportunity in the Field of Commerce"

Tuesday, 8th Feb. 2022, The department of commerce organised 3 hour workshop on Opportunity in the field of commerce Chaired by Dr. R M Nikam, MJM college and the event started 10 am with the felicitation of the guest speakers Dr. Giri Sir and Dr. S M Dude. Thereafter, the participants were espoused by Kavita Mulane . she acquainted them with the objectives and goals of the workshop.

The resource person Prof. P D Wankhedkar reflected his profound knowledge on the topic and highlighted how important this workshop .He briefed around 65 students on Opportunity in the field of commerce and also the students were given an opportunity to have a group discussion on ways to interact each other.

Dr. S M Dude said, "The commerce stream just like science, or humanities opens up many directions and career-building opportunities for a student. Commerce stream is emerging as one of the demanding study options among the students. A commerce student is seen as a significant and valuable asset in an organization due to their knowledge of practical business activities"

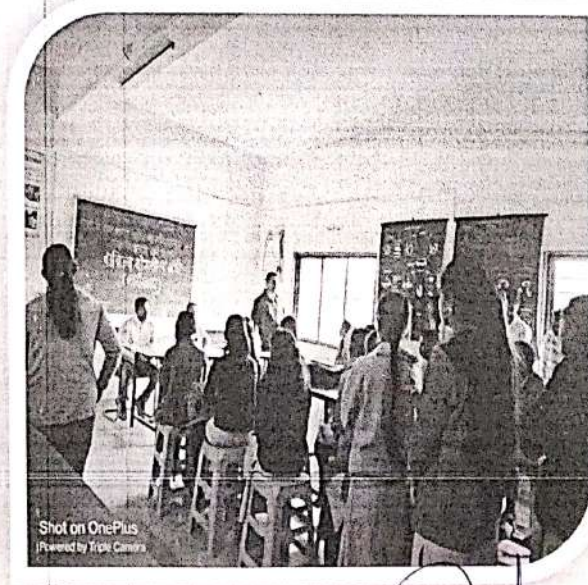

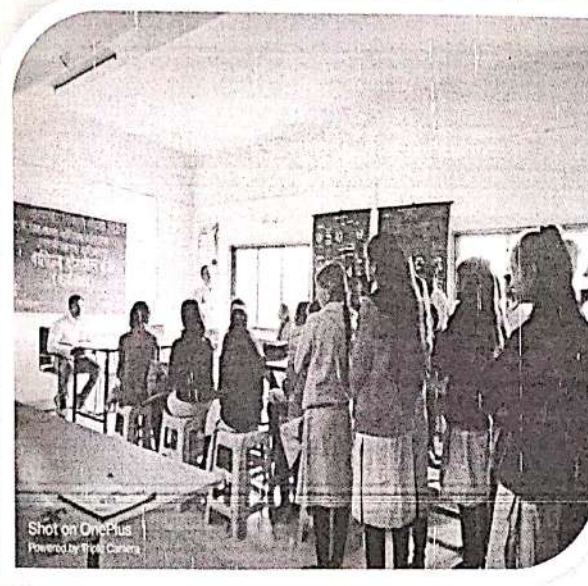

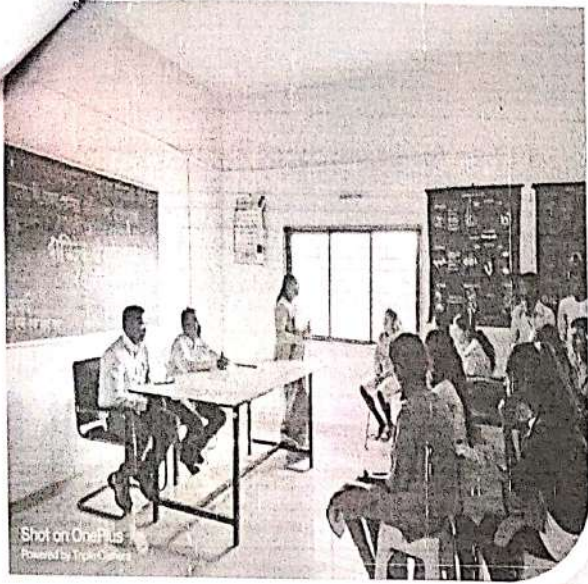

In this workshop, students captured a solid picture of their capabilities, outlined potential career options that can be pursued, framed approaches to build targeted capabilities and defined what they need to be successful.

An interactive concourse ignited the inquisitiveness of participants. The informative workshop culminated 2 pm with a vote of thanks proposed by Prof. K T Chaudhary the head of the commerce department.

Report on Fishery

The Zoology Department recently hosted a one day webinar on Fish Cultivation and Production dated on **12/01/2022**. The purpose of this workshop was to bring together experts in the field of Ichthyology, to discuss the importance of fishes conservation. The webinar was divided into three distinct parts. The first part focused on the biology and ecology of fishes, including their physical characteristics, behavior, diet, and habitat. The second part focused on the threats to fishes populations, including habitat destruction, pollution, climate change, and hunting. The third part focused on strategies to protect fishes populations, such as habitat restoration, educational campaigns, and legislation.

The webinar was attended by a diverse group of individuals, The Zoology Department would like to thank all of the, participants, teaching and non-teaching staff for attending the workshop.

Workshop/webinar on Software Tally

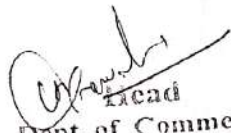

MJM Arts,Commerce and Science college, Department of Commerce has organized a webinar on 'Software Tally' on 11th Jan. 2022 between 10 am to 1pm. Dr. M S Shinde, Principal, of MJM Arts, Commerce and Science College, Karanjali chaired the session and delivered welcome address. Kajal Gaikwad, Student (SY B.Com) introduced the resource person Prof. K S Bamhane. Dr. S M Dude (HOD, Department of Marathi), Prof. Waghmar N B were present in workshop.

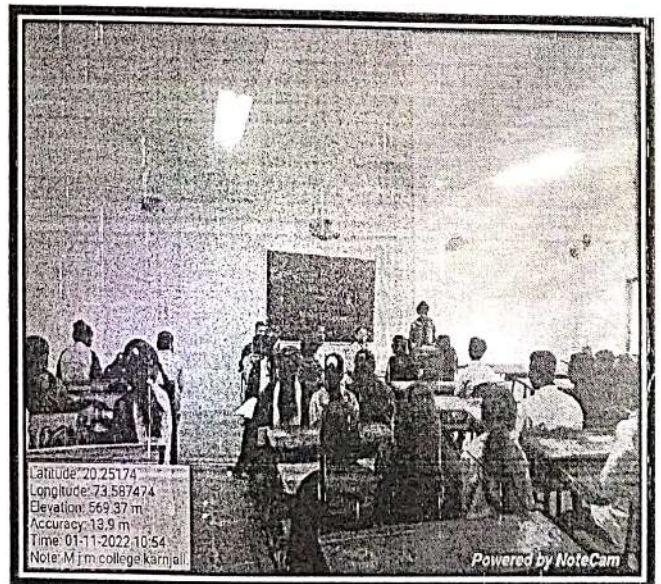

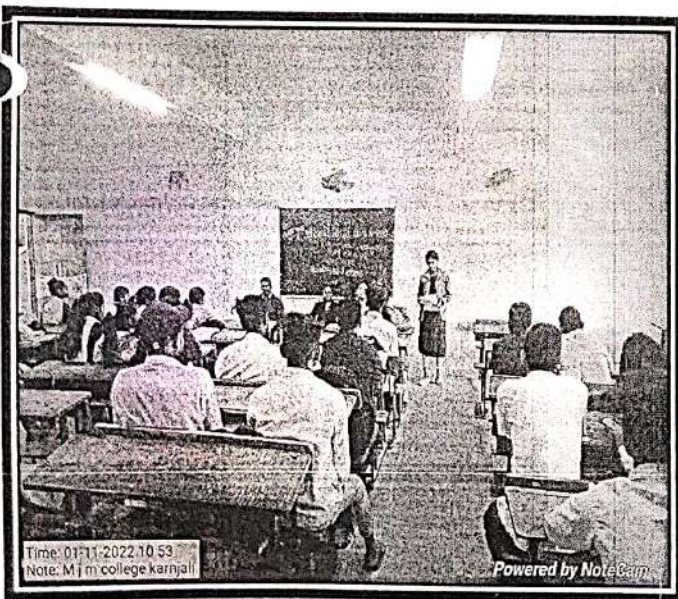

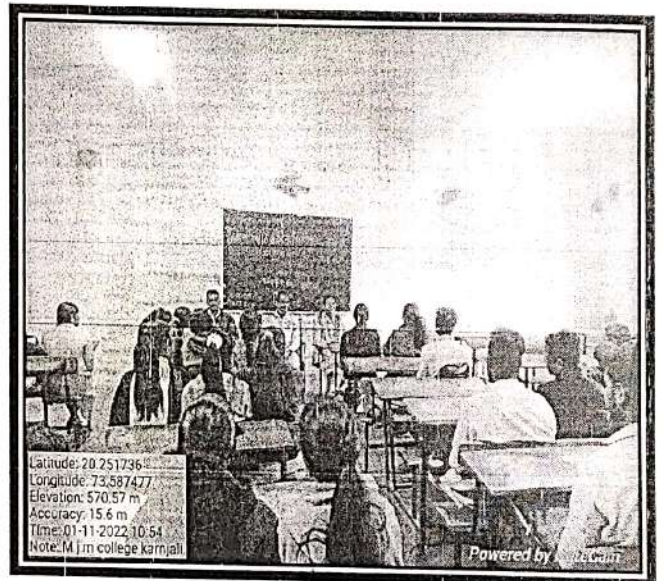

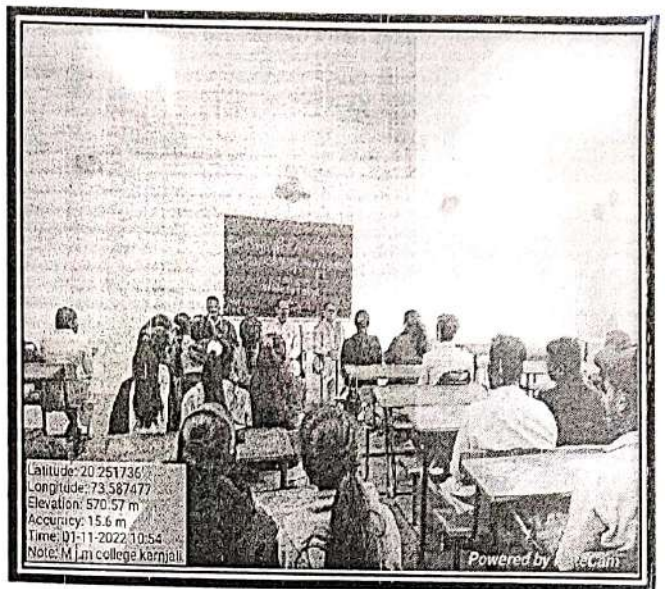

Prof. K S Bamhane has delivered a lecture on the topic "Importance and Application of Software Tally". He explained about the importance of software tally in commerce and Buisness. specifically focused on application and some technical problems.

We received good response from the student participants and also they gave very good feedback. The resource person thanked the organizers for arranging the webinar. At the end of the webinar Bhoye Roshan student (TY B Com) delivered the vote of thanks. He thanked the Chairperson, resource person, organiser, Faculty members, participants and other officials for their active support for making the programme to be successful.

Report on Api Culture. 2021-22

Beekeeping is an important activity which is successfully implemented in our college by the department of Zoology, in the academic year 2021-22. In this course, 28 students participated and completed the course. During the entire course student were learn about the apery and apery industry that how its work, they also know about the important role of bees in pollination. Our working zone is tribal are which is dense forestry and having more diversity, so here beekeeping is the most.

Importance of Beekeeping

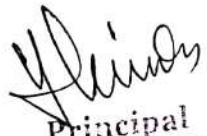

The main advantages of beekeeping are:

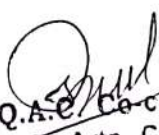

- Provides honey, which is the most valuable nutritional food.
- Provides bee wax which is used in many industries, including cosmetics industries, polishing industries, pharmaceutical industries, etc.
- Plays an excellent role in pollination. Honey bees are the best pollinating agents which help in increasing the yield of several crops.

Following students were complete the course.

Welcome

In the webinar, The President of the webinar was Principal Dr. M.S. Shinde Sir, Chief Guest Mr. Dilip Haribhau Dudhmal, Assistant Professor and Head, Department of Zoology, MVP Samaj's Art's, Commerce and

Science College, Dindori, Nashik, Dr. N.R. Giri, Assistant Professor and Head, Department of Zoology, Dr. P.T. Wankhedkar, Co-Ordinator of the Webinar and Assistant Professor, Department of Zoology and many students were available in online mode.

After inauguration of the webinar Dr. N.R. Giri was introduced the Prof. Dilip Haribhau Dudhmal Sir. Just after the introduction Prof. Dilip Dudhmal sir were requested to present their Powe Point Presentation.

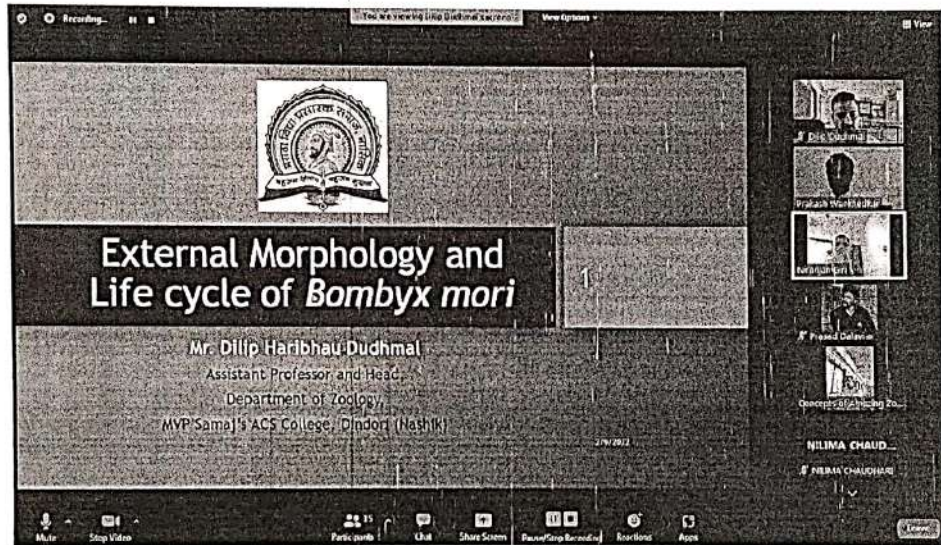

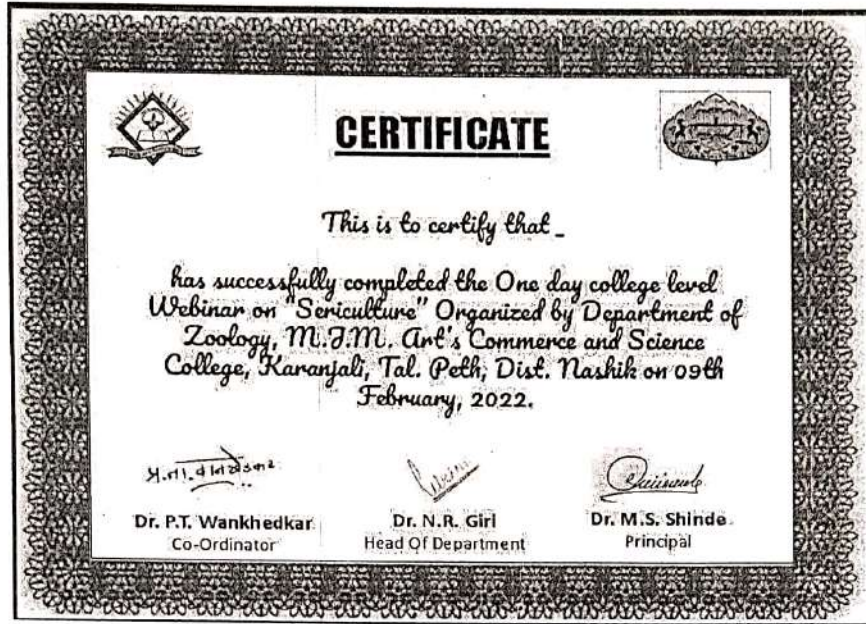

In the presentation Prof. Dudhmal sir was introduced the *Bombyx mori* its morphology and life cycle in detail as well as he explained the information in detail as per the student can understand it.

After the lecture Presidential speech was occurred in which Principal Dr. M.S. Shinde Sir expressed the thanks to Prof. Dilip Dudhmal Sir and Congratulate Dr. P.T. Wankhedkar and Dr. N.R. Giri Sir for organizing such wonderful webinar. Again after this Dr. P.T. Wankhedkar (Anchor and Co-ordinator of the Webinar) express the thanks Prof. Dilip Dudhmal sir and to all the participants for joining the wonderful webinar and co-operating for its success.

After concluding the webinar the feedback link was shared on the group for getting the feedback from the students and providing them certificates.

Workshop on Importance of English Language

What is English Language ?

English is a global language that has become essential to learn for working professionals who want to communicate with people all around the world. It is a language that is widely used in the industry of information communication technology, and most of the information available online is in English. In this article, we will discuss the importance of learning English communication skills and how it can benefit individuals in their personal and professional life.

Why Learning English is Important?

When a child is born, they do not know any language. However, with time and people around them, they start speaking the same language as others. As children grow up, they learn other languages to communicate with their peers and friends. English, being a global language, has become necessary for individuals to come out of their mother tongue influence and learn English communication skills.

Importance in Personal and Professional Life

Having good English communication skills is crucial, especially when it comes to professional life. If an individual is having good English communication skills, then there will be no difficulty in conversing with colleagues or giving an interview for a job. On the other hand, if an individual does not have the right attitude towards, then they might not be able to grow in their life as compared to others who are fluent in the language.

Communication of English Language

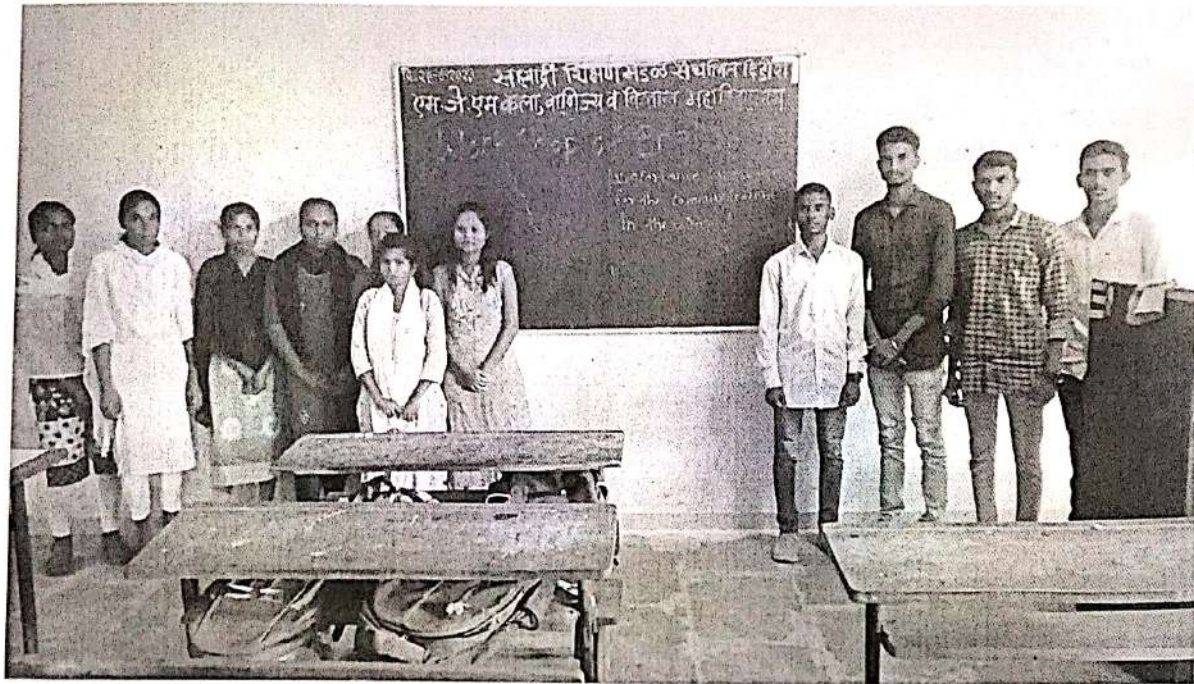

English communication skills are important because they can impact almost every facet of your life. Your proficiency in the language determines how successful you are in your personal and professional interactions. Here are a few reasons why this skill set is important

Helps in the work place : Being able to communicate in English is an essential skill for most workplaces. As you interact with customers, team members and other business stakeholders, employers prefer candidates with strong command over English.

Improve career prospect : Being able to communicate and write in English is essential for getting a job and advancing your career. From writing a resume to answering questions during the job interview, this skill set can make you the best-fit candidate for a job.

Helps learn new skills: Effective communication in English influences your ability to learn and acquire new skills. Being able to communicate effectively helps you interact with your colleagues, managers and stakeholders, and you can learn new skills. For example, if you are good at writing blogs, you can quickly learn how to write effective emails to your colleagues or managers.

Increases employment prospects : Employers prefer hiring candidates with good communication skills in English because such candidates can easily convey their thoughts and ideas to their team members.

INTERNAL QUALITY ASSURANCE CELL

Organized

Online one-day workshop on

“Use of Different ICT Tools for Effective Teaching”

Name of the Speaker and Address:- Mr. Rohit S. Shinde (ACS College Manmad)

Convenor: Prin. Dr. M.S. Shinde

Coordinator: Dr. T.C. Gaikwad

Schedule: 10 am to 5 pm

USE OF DIFFERENT ICT TOOLS FOR EFFECTIVE TEACHING

Organized by

**Sahyadri Shikshan Sanstha's
Arts Commerce and Science College, Karanjali Tal peth, Dist: Nashik**

Resource Person

Mr. Rohit S. Shinde (M.Sc, NET, SET, GATE)

(Assistant Professor)
Department of Chemistry
MAHATMA GANDHI VIDYAMANDIR'S
Arts Science and Commerce
College, Manmad

Date 19/01/2022

Objectives:

- 1.It provides correct information in a comprehensive manner with different examples.
- 2.It helps learners to broaden their information base. It provides variety in the presentation of content, which helps learners to learn according to their own pace.
- 3.It helps in better understanding and long retention of information.
- 4.The activities carried out through digital and interactive tools increase student concentration and, therefore, they assimilate concepts more quickly, enhancing learning.
- 5.It facilitates communication between teachers and students.
- 6.It promotes student flexibility and autonomy.

Brief Report:

Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali organized one-day workshop on 'Use of Different ICT Tools for Effective Teaching' Under the aegis of IQAC.

The workshop was held under the guidance of Principal andCoordinator of the IQAC Dr. M.S. Shinde, and expert talk delivered by Prof. Rohit Shinde Department of the Chemistry, ASC College Manmad,Nashik.Dr.M.S.Shinde highlighted the significance of a comprehensive and outcome-based education system by using different ICT tools in his address.He said in his talk thatnew technological tools not only bring innovation to academic centres, but also speed up the transfer of information, increase student interest, and allow processes to be automated, among other aspects to be taken intoaccount.Prof. Rohit Shinde focused on how it improves concentration and comprehension. The activities carried out through digital and interactive tools increase student concentration and, therefore, they assimilate concepts more quickly, enhancing learning. This type of tool involves students in more practical learning, with the aim of reinforcing what they have learnt.

It incorporates new learning methods. Another of the advantages of ICT in education is that teaching professionals can incorporate new teaching methodologies, thus improving academic results and encouraging dynamism in the classroom. Moreover, their use implies the development of the digital skills needed to avoid the digital divide, he added in his talk.

The workshop witnessed the presence of esteemed members, including the all HODs, faculty members and all the non-teaching staff. Principal Dr.M.S.Shinde in his speech, shed light on the responsibilities of every components of the college for better future of institute. During the workshop he also highlighted the need of new techniques for effective ICT base teaching and

learning Process. The day commenced with a preface reading by Coordinator Mr.T.C. Gaikwad, followed by a vote of thanks. The workshop was anchored by Dr. R.H. Waghchaure, and the support as well as dedicated efforts of all staff members of the different departments.

The participants given feedback about the insight of administrative role, the overall this expert talk provided lot of understanding about the features, objectives and outcomes of the workshop

A one-day workshop on

“Laboratory Precautions”

Under the aegis of IQAC Organized

Name of the Resource Person and Address:-Prof.V.R.Bagul

Convenor:Prin. Dr. M.S.Shinde

Coordinator:Dr. P.T.Wankhedkar

Schedule:10 am to 5 pm

Sahyadri Shikshan Mandal's
Mahant Jambhadas Maharaj Arts, Commerce and Science College,
Karanjali, Peth-422208
(Affiliated to SPPU, Pune, NAAC accredited)
Organized By Internal Quality Assurance Cell

One Day Workshop-2021-22

15/03/2022

Topic: “Laboratory Precautions”

Principal
Dr. M. S. Shinde
(M.J.M. ACS College,
Karanjali)

Date : 15th March 2022

Guest of Honour
Prof.V.R.Bagul
(ASC College, Surgana)

Objectives:

1. Understand the significance and nature of an effective chemical hygiene plan.
2. Be aware of the essential components of a comprehensive laboratory safety program.
3. Understand the laboratory requirements for an effective safety program.
4. Know locations of laboratory safety showers, eyewash stations, and fire extinguishers
5. Know emergency exit routes.
6. Avoid skin and eye contact with chemicals.
7. Minimize all chemical exposures.
8. Assume that all chemicals of unknown toxicity are highly toxic.

Brief Report:

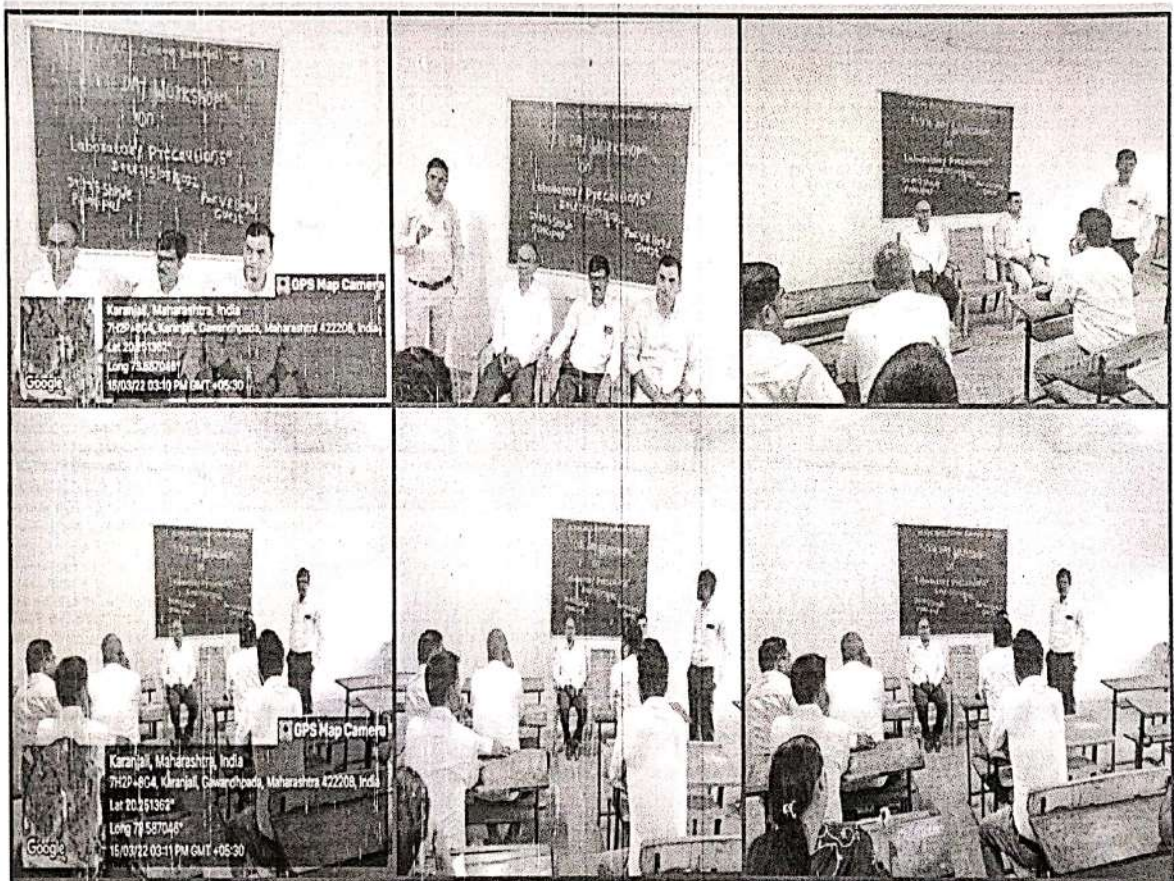

Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali, Department of Chemistry and IQAC organized one-dayworkshop on 'Laboratory Precautions'.

The workshop was held under the guidance of Principal andCoordinator of the IQAC Dr. M.S. Shinde, and expert talk delivered by Prof.V.R.BagulDepartment of the Chemistry, ASC College Surgana,Nashik.Dr.M.S.Shindein his address said that the chemicals used in the laboratory are harmful to every component which is directly come in to contact with them. During the handling of such chemicals we should always follow the safety manuals so we can avoid the accident in the laboratory. Students in the laboratory during practical's should avoid the horseplay and be careful throughout the practical's, he further added in his talk. Prof.V.R.Bagulchief guest highlighted the importance of laboratory safety, they advise the component of laboratory should wear a shoe in the laboratory, avoid the direct contact of chemicals to the skin and acids should kept at safe place. He also highlighted the importance of safety manuals that guide the behavior of the component during working, the handling of fireextinguisher should know to every component, the first aid box must be available in the laboratory so that if any component met with accident then first aid should give at the place.

At the end of program, the guest gave a stress on the handling of glass wares, and the management of the chemical waste properly, that should not interfere the college campus, it should be away from the water sources and residential areas.

The workshop witnessed the presence of esteemed members, including the all HODs, faculty members and all the non-teaching staff. Principal Dr.M.S.Shinde in his speech, shed light on the responsibilities of every components of the college for better future of institute. The day commenced with a preface reading by Coordinator Mr.Rohit Nikam, followed by a vote of thanks. The workshop was anchored by Dr.P.T. Wankhedkar, and the support as well as dedicated efforts of all staff members of the different departments.

The participants given feedback about the insight of administrative role, the overall this expert talk provided lot of understanding about the features, objectives and outcomes of the workshop

One day state level online workshop on

“INTRODUCTION TO PYTHON PROGRAMMING”

Date:22/02/2022 Time: 11:30 a.m.

One day state level online workshop on Introduction to Python programming provides an introduction to programming in the Python programming language for physics majors. Although the examples are drawn from first year physics, anyone who is familiar with, Simple Pendulum, Newton's equations of motions and ordinary differential equations will be able to follow. The overall goal is to enable students to Introduce Python programming and write short programs to solve their own numerical problems, no matter where the problems come from. Workshop contains introductory online class that teaches programming in the widely used Python language with applications to physics problems. This course covers the fundamentals of procedural and object oriented programming in Python together with the commonly used scientific libraries

- ❖ No programming experience is required.
- ❖ Completely online.
- ❖ No registration fees.
- ❖ Certificate will be provided to all participants.

मराठी मायबोली कार्यशाळा

दिनांक २१ ऑगस्ट २०२० रोजी कला, वाणिज्य व विज्ञान महाविद्यालय करंजाळी येथे मराठी विभागाच्या वतीने मायबोली कार्यशाळा कोविड -19 निर्बंधांमुळे online पद्धतीने आयोजित करण्यात आली होती.

कोविड -19 निर्बंधांमुळे महाविद्यालयाचे प्राचार्य डॉ.आर. वाय. बोरसे यांनी ही कार्यशाळा online पद्धतीने घ्यावी अशी अनुमती दिली .

या कार्यशाळेला प्रमुख मार्गदर्शक आर.एम निकम यांनी 'मराठी मायबोली या विषयावर विद्यार्थ्यांना मोलाचे मार्गदर्शन केले.यावेळी त्यांनी मराठी,अहिराणी भाषेतून स्वरचित कविता सादर केल्या.

या कार्यक्रमाचे अध्यक्ष प्रा.आर.एच.वाघचौरे यांनी अध्यक्षीय भाषणातून विद्यार्थ्यांना सर्वांगीण विकास व्हावा,तसेच मराठी भाषेचा समाजावर कसा प्रभाव पडत असतो,मायबोलीतून संवाद साधल्याने एकमेकांना समजण्यास सौपी जाते.

मराठीतील वेगवेगळ्या बोलीभाषा ह्या त्या त्या प्रदेशाच्या राहणीमान ,सामाजिक जीवन, सांस्कृतिक जीवन याचा उलगडा करत असते. आणि म्हणून मायबोलीचा प्रभाव मोठ्याप्रमाणावर दिसून येतो.याविषयी मोलाचे मार्गदर्शन केले.

यावेळी मराठी विभागप्रमुख प्रा.डॉ.स्नेहल दुडे,प्रा. के.के.जाधव यांचेही सहकार्य लाभले.Online कार्यशाळेसाठी विद्यार्थ्यांनी उत्स्फूर्तपणे सहभाग नोंदवला .या कार्यशाळेला प्रा.आव्हाड ,प्रा.व्ही एन. पगारे उपस्थित होते .

**Report of
One day Workshop
Rojgarachya sthanik sandhi
ON 27 August 2020**

Department Of Economics, Mahant Jamnasdas Maharaj Arts ,Commerce And Science College, Karanjali organized as one day workshop Rojgarachya Sthanik sandhi 2020 during 27 August 2020 the one day workshop had fully fledged schedule of lead lectures.

In this one day Opportunity for Education total 52 students participated in the workshop.

Inaugural Programme :

On the one day workshop the in Inaugural workshop at 11:00 am in Classroom. In this Workshop Chief Guest of Prof. D.P.Thakare and Prof. N. Waghmare and Prof. K. D. Mor and Dr. R.Y.Borse is the president of this program. The inaugural program initiated with welcome speech of Dr.R.Y.Borse Principal of M.J.M. Arts Commerce and Science college, Kranjali in the program one session were conducted.

Department Of Economics are thankful to principal of MJM Arts commerce and science college ,Kranjali and secretary of Sahyadri shikshan madal's for providing financial support and othet facility to completed this workshop. We are also thankful to all teaching staff and non teaching staff for help and co- operation in this regards

Report on Webinar

Date:30 Dec.2020

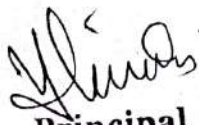

Department of Physics, M.J.M Arts, Commerce and Science College Karanjali(Peint) Nashik, Department of Physics, Swami Muktanand College Of Science Yeola, Dist.-Nashik and Department of Physics, K.R.A. Arts, Commerce and Science College Deola, Dist.-Nashik, collaboratively Organized A seminar On "future prospects of CNC programming in industries for undergraduate students " on 29 DEC. 2020 at 10.00 a.m. with virtual zoom mode. Total 169 students from above mentioned college were participated and especially from our college 66 participants were a part of the this elucidative and informative programme. The event started with the felicitation of the guest speakers Dr. Nilesh Pawar from Puja industries, MIDC Nashik. Thereafter, the participants were espoused by Program convener Dr. Sahebrao V. Dhanwate. He acquainted them with the objectives and goals of the webinar. The resource person Dr. Nilesh Pawar reflected his profound knowledge on the CNC programming and its role in automation for industries, he focused on high scale need of skilled persons in CNC programming.

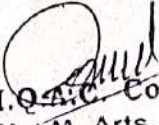

Dr. Nilesh Pawar explained the details of CNC machines its types and its handling parameters which triggered the young minds into thinking innovative ways. An interactive concourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function if different electronic devices. The informative workshop culminated with a vote of thanks proposed by the program coordinator Dr. M.S. Shinde.

One Day Workshop

**Effective Use of Office Management
in College**

Dr. Sandip S. Pathade
Assistant Professor
Dept. of Chemistry
M. S. G. College, Malegaon

Objectives:

- Effective use of human resource and available material for efficient output.
- For better output and progress of institute maximum utilization of office effectively.
- Out of different management of institution the office management is a prime management
- To maintain the quality of institution office management plays vital role.

- The team collaborates with other departments, supervisors and employees to create, implement and maintain quality.

Brief Reporting:

Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali organized one-day workshop on 'Effective Use of Office Management in College' for the teaching and non-teaching faculty under the aegis of IQAC.

The workshop was held under the guidance of Principal Dr. R. Y. Borse and Coordinator of the IQAC Dr. M.S. Shinde, and expert talk delivered by Prof. Sandip Pathade Department of the Chemistry, MGVs ASC College, Malegaon, Nashik. The Speaker of the program Prof. Sandip Pathade sir explore the corners of office management, in his lecture Pathade sir highlighted the crucial role of office in the progress of institution, he also added that the quality of the institution largely depends on the efficient and effective use of office management.

He also guided the non-teaching staff to utilize the available resources and to work efficiently and supports the quality of institution. Principal Dr.R.Y. Borse in his talk explore the different angles of office management that contributes in the progress of institution.

Presence of all HOD's and faculty member, nonteaching staff made the program successful.

The day commenced with a preface reading by Coordinator Prof.R. M. Nikam, followed by a vote of thanks. The workshop was anchored by Dr.N.R. Giri, and the support as well as dedicated efforts of all staff members of the different departments.

RELATIONSHIP OF OFFICE WITH OTHER DEPARTMENT

Office Management

Planning, Organizing, Controlling, Staffing, Directing, Evaluating

Zoom Meeting

Participants: Prakash Kumar, Dr. Sandy S. P..., Rashmi Singh, Ajay Kumar, Chetan Singh, Sanku Singh, D. Chandan, G.P., VIVEK, Manoj K. Singh, Nagesh G., H. Lakshmi, Vijayalaxmi

Elements of Office Management

Planning

Planning involves developing strategies for the future and courses of action to be taken in the near or distant future. Without proper planning, there is no way to know how offices can be structured. The plan must define the company's values, mission, and vision, and send a clear message to staff members as well as outside parties.

Organizing

Organizing involves setting the office up with a system that makes sure that each task is taken care of. It involves the design, planning, and management of work areas. It involves ensuring that there is adequate space available for both internal and external staff members. Once the area is in place, then they must be managed to ensure that they are organized and run efficiently.

Effective Office Management Stages

Determination of objectives, Analysis of formats and procedure, Selection of appropriate alternate, Implementation, Feedback and Inquiry, Control

INTERNAL QUALITY ASSURANCE CELL

Organized

Online one-day workshop on

“Use of Different ICT Tools For Effective Teaching”

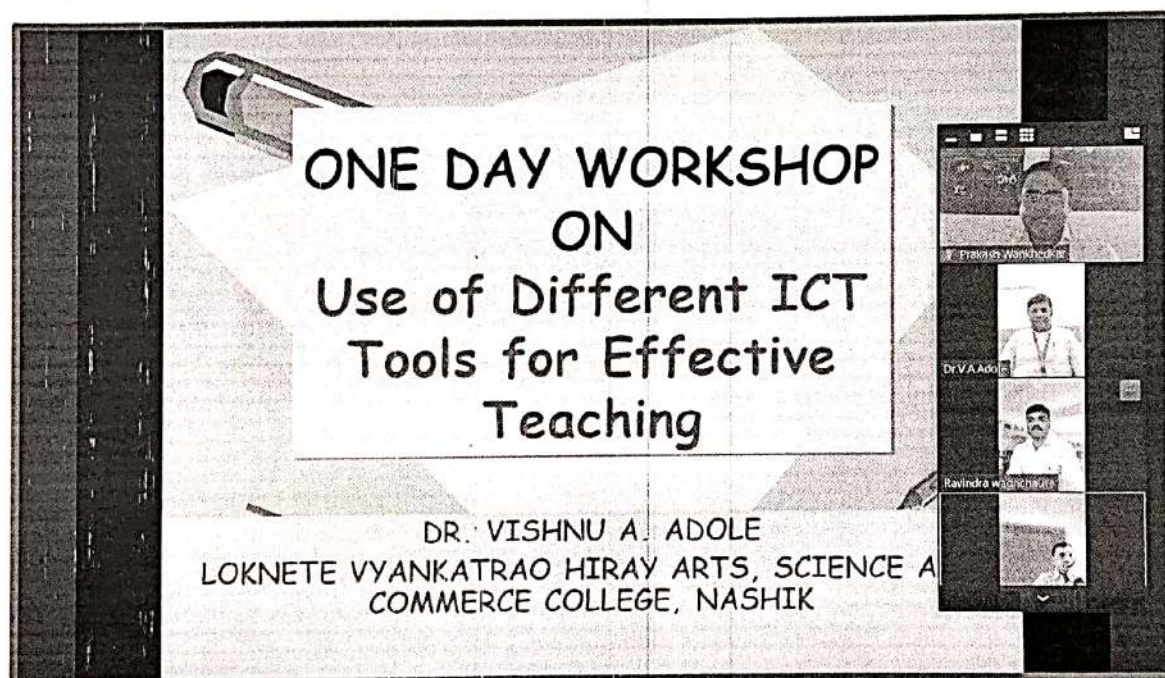

Name of the Speaker and Address: Dr. Vishnu A. Adole Department of the Chemistry, MGVs, L.V.H. ASC College, Panchavati, Nashik.

Convenor: Prin. Dr. R. Y. Borse

Coordinator: Prof. R.H. Waghchaure

Schedule: 10 am to 5 pm

Date: 17/12/2020

Objectives:

- , ICT use in the classroom is important for giving students opportunities to learn and apply the required 21st century skills.
- Studying the issues and challenges related to ICT use in teaching and learning can assist teachers in overcoming the obstacles.

- ICT's importance in society as well as in the future of education, identifying the possible challenges to integrating these technologies in Colleges.
- Use of ICT would be an important step in improving the quality of teaching and learning.
- To identify that to what extent do teachers use ICT tools in teaching and learning in the classroom.

Brief Reporting:

IQAC sponsored a one-day training on "Effective Use of Office Management in College" for teaching and non-teaching faculty at Sahyadri ShikshanMandals Arts, Commerce, and Science College in Karanjali.

Principal Dr. R. Y. Borse and IQAC Coordinator Dr. M.S. Shinde oversaw the workshop, which featured a presentation by Dr. Vishnu Ashok Adole from the Chemistry Department of MGVs L.V.H ASC College in Panchavati, Nashik. The expert in his talk highlighted that colleges should equip themselves with appropriate levels of technology according to their means and capacities. Colleges are encouraged on their own initiative to seek assistance from various stakeholders, parents, community and private sector organizations as the MoE can only provide technology to colleges in stages. Teacher should utilize maximum resource for better and efficient ICT based teaching learning process. He further added that nowadays ICT based education having global attention and for survival of institution in these era teacher explore maximum use of ICT tools for efficient teaching.

. Principal Dr.R.Y. Borse deliver a talk on quality of teacher, he stressed on the maximum use of ICT tools for better understanding of the subject in an easy way.

The programme was successful since all of the HODs, faculty members, and non-teaching personnel were there.

Prof. R. H. Waghchaure, the coordinator, inaugurated the day with a preface reading and a vote of appreciation. Dr. P.T. Wankhedkar provided the workshop's foundation, and all of the departmental staff members' committed efforts and assistance were also greatly appreciated.

State Level Conference
Organized by
Department of Chemistry
“NANOMATERIALS HAS BETTER FUTURE IN EMERGING BASIC SCIENCES”

Sahyandri Shikshan Mandal Dindori Sanchalit, M.J.M ACS College Karanjali, Department of Chemistry, Organized State level conference on “Nanomaterials has better future in Emerging Basic Sciences” sponsored by BCUD, Savitribai Phule Pune University dated on 20-21 Jan 2020. The organizing committee of the conference is Principal Dr. R.Y. Borse (Convener), Head of Department Dr. D.T. Tayde (Coordinator), Mr.R.H. Waghchure (Co-coordinator), Mr. R.M. Nikam (Organizing secretary) and Mr.T.C. Gaikwad (Treasurer).

Honourable chief guest Mr. Shantaram Shraavan Gunjal, Principal of Satana College to inaugurate the conference. He talk about the importance of basic sciences now a days and how it is applicable to society. Sahyandri Shikshan Mandal’s Secretary, Honourable Shri. Padmakarji Gawali enlighten lamp, Dr. M. K. Lande, Head of Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Dr.S.G. Shankarwar, Professor from Dr.BAMU, Dr. M.E. Navgire from Bhenda College, Ahmednagar are participated.

The eminent invited members Dr. M.K. Lande, Dr.S.G. Shankarwar, Dr.M.E. Navgire, Dr. A.V. Borade, Dr. M.R. Patil, Dr. A.N Kulkarni, Dr. T.B. Pawar, Dr. K.H. Kapadnis and Dr. Deepak Tope delivered lead lectures in the conference on the various topics. There are more than 50 participant were participated in the conference from various reputed institutions. All the students of our and other colleges were take the benefit of this conference and learn various new topics in very fruitful environment.

+ एमजेएम महाविद्यालय : दीनदिवसीय राज्यस्तरीय परिषद

पेठ तालुक्यातील पाणिप्रश्नावर चर्चा

लोकमत न्यूज नेटवर्क

पेठ : सह्याद्री शिक्षण मंडळ संचालित करंजाळी येथील एमजेएम कला, वाणिज्य व विज्ञान महाविद्यालयामध्ये आयोजित दीनदिवसीय राज्यस्तरीय परिषदेत पाणीप्रश्नावर चर्चा करण्यात आली.

सटाणा महाविद्यालयाचे प्रा. शांताराम गुंजाळ यांच्या हस्ते परिषदेचे उद्घाटन झाले. याप्रसंगी जलअभ्यासक गोपीनाथ पाटील अध्यक्षस्थानी होते. मूलभूत विज्ञानात नानोमटेरिअलचे भविष्य हा परिषदेचा मुख्य विषय होता. प्रत्येकाने राष्ट्रीय मूल्य अंगीकारावी व विद्यार्थ्यांनी विज्ञाननिष्ठ होऊन राष्ट्रीय मूल्य जोपासावी, असे गुंजाळ सांगितले. जलअभ्यासक गोपीनाथ पाटील यांनी

करंजाळी येथील एमजेएम महाविद्यालयात राज्यस्तरीय परिषदेप्रसंगी प्रा.शांताराम गुंजाळ, पद्माकर गवळी, प्राचार्य डॉ. आर. वाय. बोरसे, डॉ. एम. के. लाडे, डॉ. एस. जी. शंकरवार आदी.

पाण्याचा प्रश्न गंभीर असून, पेठ तालुक्यात पायसाचे पाणी अडवले पाहिजे व यावर उपाययोजना सुचविल्या. प्रा. डॉ. दीपक तावडे यांनी या परिषदेचे समजातातील महत्त्व सांगून या परिषदेद्वारा नानोमटेरिअलचे संशोधन होण्यास चालना मिळेल, असे

पत मांडले. याप्रसंगी संस्थेचे सचिव पद्माकर गवळी, प्राचार्य डॉ. आर. वाय. बोरसे, औरंगाबाद विद्यापीठाचे डॉ. एम. के. लाडे, डॉ. एस. जी. शंकरवार, भेंडे महाविद्यालयाचे डॉ. मधुकर नवगिरे, नंदुरवार महाविद्यालयाचे डॉ. मनोहर

पाटील, डॉ. अनिल कुलकर्णी, आरगायके महाविद्यालयाचे डॉ. अशोक बोन्हाडे, एलव्हीएच महाविद्यालयाचे डॉ. ठाणसिंग पवार आणि डॉ. के. एच. कापडणीस उपस्थित होते. सूत्रसंचालन डॉ. स्मिता चव्हान आणि रोहित निकम यांनी केले.

INTERNAL QUALITY ASSURANCE CELL

Organized

Online one-day workshop on

“Tools for Online Classroom Handling”

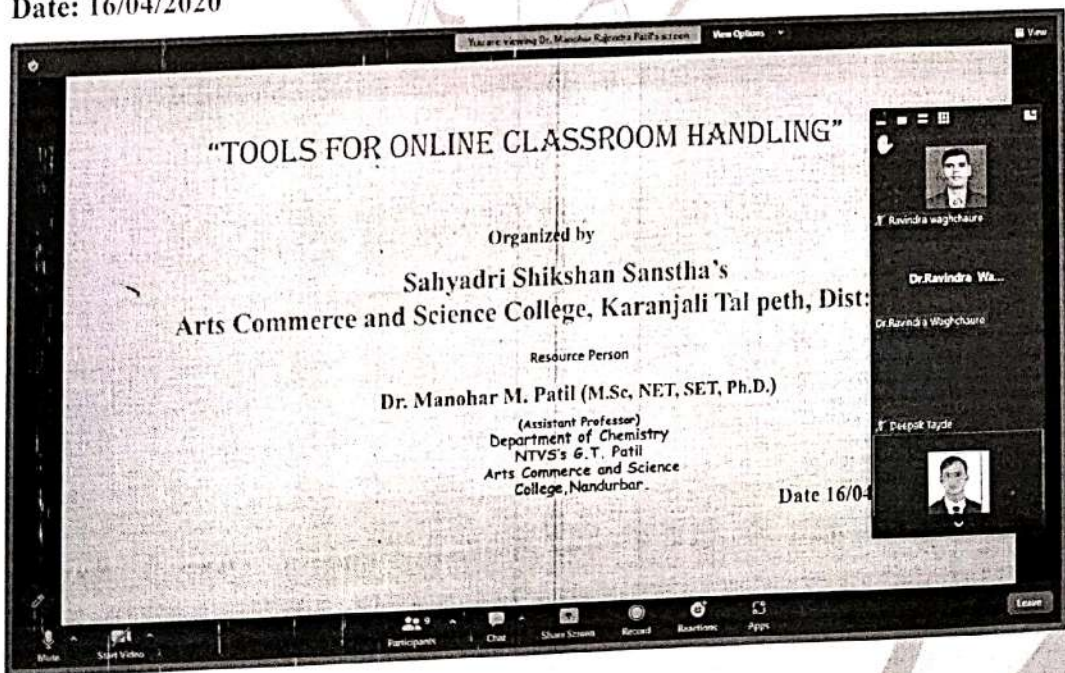

Name of the Speaker and Address: Dr. Manohar M. Patil (M.Sc, NET, SET, Ph.D.)
(Assistant Professor) Department of Chemistry NTVS's G.T. Patil, Arts Commerce
and Science College, Nandurbar.

Convenor: Prin. Dr. R. Y. Borse

Coordinator: Dr. S.P. Chavan

Schedule: 10 am to 5 pm

Date: 16/04/2020

Objectives:

- Using ICT in the classroom is crucial to providing students with opportunity to acquire and apply the necessary 21st century skills.

Sahyadri Shikshan Mandal

- Teachers may acquire assistance in overcoming the obstacles by researching the problems and difficulties associated with ICT use in teaching and learning.
- ICT's importance in society as well as in the future of education, identifying the possible challenges to integrating these technologies in Colleges.
- Using ICT would be a significant step towards raising the standard of instruction and learning.
- To determine the degree to which educators employ ICT resources for instruction and learning in the classroom.

Brief Reporting:

In Sahyadri ShikshanMandals Arts, Commerce, and Science College Karanjali, teaching staff members attended a one-day training session on "Tools for Online Classroom Handling" funded by IQAC.

The workshop was guided by Principal Dr. R. Y. Borse and IQAC Coordinator Dr. M.S. Shinde. Dr. Manohar M. Patil (M.Sc., NET, SET, Ph.D.) (Assistant Professor) of the Department of Chemistry at NTVS's G.T. Patil, Arts Commerce and Science College, Nandurbar, imparted the presentation. The expert in his talk highlighted that colleges should equip themselves with appropriate levels of technology according to their means and capacities. Colleges are encouraged on their own initiative to seek assistance from various stakeholders, parents, community and private sector organizations as the MoE can only provide technology to colleges in stages. Teacher should utilize maximum resource for better and efficient ICT based teaching learning process. He further added that nowadays ICT based education having global attention and for survival of institution in these era teacher explore maximum use of ICT tools for efficient teaching.

Principal Dr. R.Y. Borse gave a speech on the importance of excellent teachers, emphasising the use of ICT tools to their fullest potential for easier and better learning of the material.

Due to the presence of all HODs, faculty members, and staff, the programme was a success.

The coordinator, Dr. S.P. Chavan, opened the event with a preamble reading and a vote of gratitude. The workshop's basis was supplied by Dr. P.T. Wankhedkar, and we also deeply thank the dedicated efforts and help of the departmental staff.

Report on "Hand on skill in circuit designing and fabrication" Workshop

Department of Physics, M.J.M ACS College Karanjali(Peth), Nashik., Organized one day workshop on the topic "Hand on skill in circuit designing and fabrication" on 2 Sep Nov. 2019 at 11 a.m. All the TYBScPhysics (science) students were a part of the elucidative programme. The event started with the felicitation of the guest speakers Dr SahebraoDhanwate, Head, Department of Physics Vishwalata Arts, Science and Commerce college (Bhatgaon) Yeola, Nashik- 423401 by Principal Dr. R.Y.Borse. Thereafter, the participants were espoused by Dr. M.S.Shinde. He acquainted them with the objectives and goals of the workshop.

The resource person Dr SahebraoDhanwate, reflected his profound knowledge on the topic and highlighted the function of basic electronic components and its use of with skill in circuit designing and fabrication.

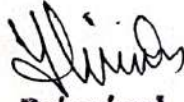

The demonstration of optimisation and calibration of electronic devices galvanized the engrossed participants. After the lunch break Dr SahebraoDhanwate, Resource Person, continue his lecture with practical which triggered the young minds into thinking innovative ways. An interactive concourse ignited the inquisitiveness of participants. They have committed themselves completely to understand the function if different electronicdevices . The informative workshop culminated with a vote of thanks proposed by the Dr.TejasKapadane.

REPORT
One Day Workshop On
“Tribal Area’s Deshi Seeds Conservation and Identification”
Organized by
Department of Botany
Sahydari Shishkan Mandel Dindori
M.J.M. Arts Commerce and Science College Karanjali
Collaboration With
Savitribai Phule Pune University & Students Development Office.

One day workshop on “Tribal Area’s Deshi Seeds Conservation and Identification ” was organized by Department of Botany, Sahydari Shishkan Mandel Dindori Mahant Jamandas Maharaj Arts Commerce and Science College Karanjali collaboration with Savitribai Phule Pune University & Students Development Office, Karanjali on 16th Feb., 2020. The resource persons for the workshop were Honorable Padmashri Miss.Rahibai Soma Popere (Seed Mother), Dr. M.T.Patil, Head of Botany Department and Mr.Yogesh Nawale, Incharge of BAIF Research Centre **Kombhalne** .

A total of 121 participants including 46 U.G and P.G. students from Department of Botany, S.N.J.B. Karmvir Keshavlalji Harakchandji Abad Arts and Shriman Motilalji Girdharilalji Lodha Commerce and Shriman P. H. Jain Science College Chandwad long with 22 Faculty members attended the workshop.

On 16th February, 2020, the workshop started with the welcome address from Dr. S.P.Chavan Assistant Professor, Department of Botany and Dr.P.T.Wankhedkar, Assistant Professor Department of Zoology MJM Arts Commerce and Science College Karanjali followed by a brief introduction about the workshop by Dr.A.S.Jondhale, Head of Botany Department and Dr.R.Y.Borse, Principal, MJM Arts Commerce and Science College Karanjali, also addressed welcome to the all participants during this inaugural session. The inaugural session was concluded with vote of thanks by Dr.D.T.Tayde, Head of Chemistry Department, MJM ACS College Karanjali..

The technical session started after a small tea break with a lecture on ‘Collection and Preparation of wild seeds in Tribal Region’ by Honorable Padmashri Miss.Rahibai Soma Popere. The lecture covered in detail, Methods of wild seeds collection and conservation, importance of wild seeds in identification and documentation and techniques. Dr.M.T.Patil continued with a practical demonstration regarding collection and processing of wild plant specimens and the technique of making conservation and propagation wild plants and crop. After lunch break the Demonstration session on ‘Different wild seeds crop or Plant Identification’ was conducted by Mr.Yogesh Nawale. The first day of the workshop ended at 4.30 p.m. with tea and snacks.

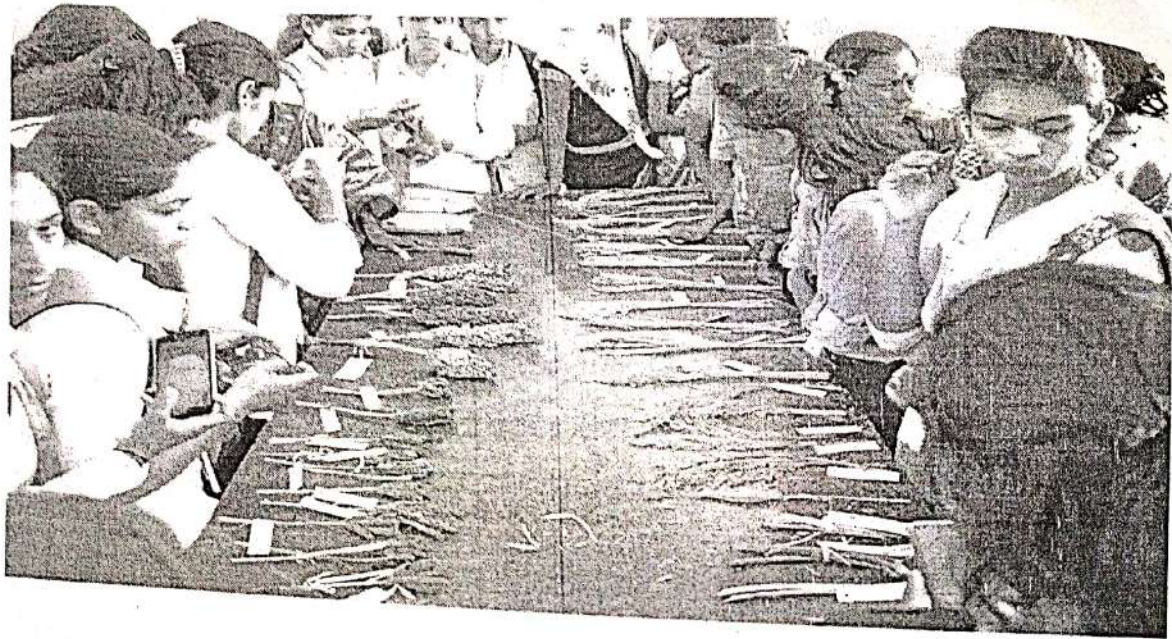

Principal Dr.R.Y.Borse felicitated by Honorable Padmashri Miss.Rahibai Soma Popere

REPORT

One Day Workshop On “Wild Seeds Conservations”

Organized by
Department of Botany
Sahydari Shishkan Mandel
M.J.M. Arts Commerce and Science College Karanjali

One day workshop on “Wild Seed Conservations” was organized by Department of Botany, Sahydari Shishkan Mandel Dindori Mahant Jamandas Maharaj Arts Commerce and Science College Karanjali on 8th September, 2018. The resource persons for the workshop were Dr. M.T.Patil, Head of Botany Department S.N.J.B. Karmvir Keshavlalji Harakchandji Abad Arts and Shriman Motilalji Girdharilalji Lodha Commerce and Shriman P. H. Jain Science College Chandwad. In this program almost 50 students were participants with 12 Faculty members attended the workshop.

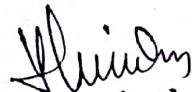

On 8th September, 2018, the workshop started with the welcome address from Dr. S.P.Chavan Assistant Professor, Department of Botany and Dr.P.T.Wankhedkar, Assistant Professor Department of Zoology MJM Arts Commerce and Science College Karanjali followed by a brief introduction about the workshop by Dr.A.S.Jondhale, Head of Botany Department and Dr.R.Y.Borse, Principal, MJM Arts Commerce and Science College Karanjali, also addressed welcome to the all participants during this inaugural session. The inaugural session was concluded with vote of thanks by Dr.D.T.Tayde, Head of Chemistry Department, MJM ACS College Karanjali.
